

## The 11<sup>th</sup> World Shito Ryu Karatedo Taikai

Members of the Shito Ryu Canada Karatedo Association took part in the 11 World Shito Ryu Karate Championships during July 21-23, 2017 in Osaka, Japan. The Championships featured seminars taught by experts in Shito Ryu Karate, black belt grading, and a tournament with participants from all around the world.

For the representatives from Western Canada, the contingent was the largest we've ever had from the dojo at the Arbutus Club (Vancouver), Cambie (Richmond), and Sea Island (Richmond). With athletes, families and friends, there were over 50 participants that made the trip to Japan this summer from the lower mainland.

The World Shito Ryu Karatedo Taikai takes place every other year, with the event taking place in Osaka every four years. As the event took place in July, the Vancouverites had to endure not only the jet lag, but the extreme heat and humidity. Despite the challenging environment, the members did very well at this event. The following members were able to bring home medals from this prestigious event:

- **Frank Wang** (Cambie Dojo)-Silver in *Kumite* (fighting)
- **Crosbie DesBrisay** (Arbutus Dojo)- Bronze in *Kata* (forms)
- **Ashley Braun** (Arbutus Dojo)-Bronze in *Kata* (forms)
- **Audrey Braun** (Arbutus Dojo)-Silver in *Kata* (forms)
- **Jamie Chan** (Cambie Dojo)-Gold in *Kumite* (fighting) and Bronze in *Team Kumite*
- **Jadyn Kuah** (Arbutus Dojo)- Bronze in *Kumite* (fighting)
- **Yuna Yamamoto** (Cambie Dojo)-Bronze in *Kata* (forms)

Everyone who took part in the competition tried their best and congratulations are warranted for all our local athletes.

There were several members that took part in the black belt grading at this event. The grading process is overseen by examiners, holding Masters Ranking, around the world that scrutinized each applicant's basics, forms, and the understanding of movements within the forms. For those that are successful in passing the exam, they will receive their black belt ranks from our current **Grand Master, Tsukasa Mabuni**, the granddaughter of the Founder of Shito Ryu Karate. From our group the following members were promoted:

### **Shodan** (1<sup>st</sup> degree black belt)

Congratulations on all the applicants that were awarded their ranks from Tsukasa Mabuni. The west coast members were also blessed with two of their own receiving their **Shihan Menjo** (Masters Certificates) in Shito Ryu Karate. The Shihan rank is the ultimate award, which signifies the mastery of the basics and the syllabus of the Shito Ryu style of karate. We are very proud of Alice Chung and Garson Ho Sensei in achieving this accomplishment.
